NEW BUSINESS

Discussion Regarding Revisions to the Rules and Regulations, and Statute

The Subcommittee discussed licensing different levels of social workers and changing the statute to make it a practice act instead of just a title act. These changes would allow them to regulate all levels of social work practice in Delaware. The levels of licensure that the Subcommittee suggested are Bachelors, Masters and Clinical. Ms. Kelly will draft a list of possible exemptions for the Subcommittee to review at the next meeting. The Subcommittee would like to follow the language of the ASWB Model Practice Act as closely as possible when drafting statute revisions. This topic will be discussed further at the next subcommittee meeting.

Ms. Postell advised the Subcommittee that she would like to address the issues of electronic practice and records retention while working on statute changes. These topics will be discussed at a future meeting.

OTHER BUSINESS BEFORE THE SUBCOMMITTEE (FOR DISCUSSION ONLY)

There was no other business before the Subcommittee.
